Located 25 kilometers North of Hurghada, El Gouna is only a one-hour flight from Cairo and a mere 4-hour flight from Europe's major capitals.

Sponsored by BRÜGLER SWISS WATCHES, six polo teams competed for four days with the attendance of Egyptian and international world-class guests who relished fine sport and great weather.

The second year is already here, the 2nd edition of El Gouna Beach Polo Kings Silver Cup is scheduled from April 25th to April 28th 2018.

Over the course of four days, six polo teams combining local and international players who are sponsored by major entities such as Mangroovy, Mercedes Benz, Kings Polo, Bank De Caire, Orange, and Magma will compete in front of hundreds of spectators to be crowned champions of the 2018 El-Gouna Beach Polo Kings Silver Cup.

This is the place to feel that you are part of the thrill; with VIP tents, food stands, and bars, as well as entertainment and shops surrounding the polo arena.

Definitely a must-go!

GETTING READY FOR THE EVENT

"Polo isn't just for the elite. Attendees may take part of the action from the beach area for free. If you'd like to be inside mixing and mingling under the covered grandstands, there are VIP areas available. Expect chic spectators dressed to impress in their polo best, from casual elegant wear to flowing dresses. Keep in mind, the event is outdoors, so dress comfortably. And it's not just all polo, all the time. During the four days, there are many A-list activities to attend; including the parade, gala dinner, pony rides for kids, and much more!" 🏇
